Install My Brainshark Shortcuts

My Brainshark makes it easier to find and use Brainshark as part of your daily working experience. By installing My Brainshark, you get a quick way to automatically log into your company's Brainshark site.

How to Get My Brainshark

My Brainshark functionality is available through the mechanisms listed below. Select any or all of the options, then click on **Install Now** to download and install the small piece of software that enables My Brainshark.

☒ A Desktop Icon

This puts a Brainshark icon on your desktop so you can automatically log-in by double-clicking.

☒ An Add-In To Microsoft PowerPoint™

This makes Brainshark an integral part of PowerPoint by adding items to its File and Tools menus.

☒ A Task Bar Icon

This puts a Brainshark icon on your taskbar that you can click on to log in or change preferences.

☐ Automatic Login On System Start-Up

This automatically starts your browser and logs you into Brainshark when your system starts.

☒ A Start Menu Item

This adds an item to your Start Menu so you can click on My Brainshark.
